

Rhyme and rhythm

Here are some of the songs and rhythms from the play.

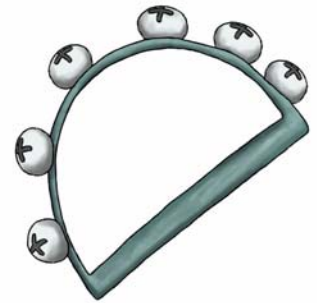

Can the class beat out the rhythms with footsteps, handclaps and musical instruments?

Can the class step in time to a set or varying rhythm beaten on a drum?

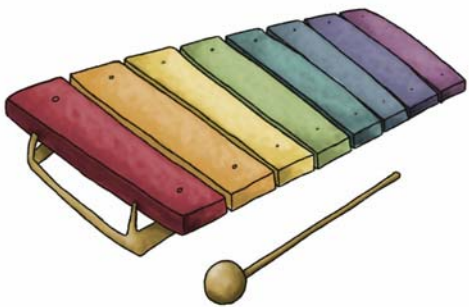

Using the rhythm and meter can the class make up further verses?

Polly you are silly!
The present was for you!!
You've given your new clothes away.
Now what will you do?

**Clickety click, clickety click, knit one, pearl one,
clickety click.**

Polly you are silly!
The present was for you!
You've given your new book away.
Now what will you do?

**Clap one, clap two
Clap me, clap you
Clap one, clap two
Clap me, clap you**

Polly you are silly!
The present was for you!!
You've given your new clothes away.
Now what will you do?
